

Fig. 1 is a perspective view of a manual espresso machine. The machine consists of a main body (1) with a handle (2) on the right side. A lever (3) is mounted on top of the main body, with a spring (4) and a piston rod (5) connected to it. The lever is actuated by a handle (6) on the left side. A pressure gauge (7) is mounted on the side of the main body. The main body has a base (8) with a perforated plate (9) for coffee grounds. A safety valve (10) is located on the top of the main body. The machine is labeled "PRESSO" on the side.

Numbered parts shown in Fig. 1:

- 1: Main body
- 2: Handle
- 3: Lever
- 4: Spring
- 5: Piston rod
- 6: Lever handle
- 7: Pressure gauge
- 8: Base
- 9: Perforated plate
- 10: Safety valve
